2. PROBLEMS / PAINS + ITS FREQUENCY [PR] • Pain: Overwhelmed by massive outstanding balances and aggressive collection calls. • Frequency: Constant; happening every single day, causing non-stop stress.	9. PROBLEM ROOT / CAUSE [RC] • Sudden job loss, medical emergencies, or poor initial financial planning leading to missed EMIs. • Complete lack of transparent knowledge on what settlement discount percentage banks will accept	7. BEHAVIOR + ITS INTENSITY [BE] • Behaviour: Avoiding phone calls from unknown numbers and hiding from bank representatives. • Intensity: Extremely high; completely paralyzed by the fear of legal trouble or a permanently ruined credit score.
3. TRIGGERS TO ACT [TR] • Receiving a formal, intimidating legal notice or a final warning letter from the bank. • Reaching a breaking point where the user genuinely wants to fix their life and clear their name.	10. YOUR SOLUTION [SL] • An AI-Powered Platform that calculates personal financial stress indices and leftover savings. • Uses Gemini AI to instantly generate professional, budget-friendly debt settlement request letters to lenders.	8. CHANNELS OF BEHAVIOR [CH] • Online: Searching late at night on Google for "how to settle bank loan debt safely" or looking up financial advice forums.
4. EMOTIONS BEFORE / AFTER [EM] • Before using our platform: Deeply anxious, terrified, intimidated, and feeling completely stuck in a loop. • After using our platform: Relief, clear direction, confident to face banks, and feeling hopeful about financial recovery.		• Offline: Talking discreetly to trustworthy friends or close family members about borrowing money.
